## DISCLAIMER AND CONSENT AGREEMENT

1. I understand that The Emotion Code and The Body Code systems as taught by Bradley Nelson and as practiced by the practitioner for Making Life Feel Better Limited, seek to identify, and eliminate underlying imbalances in areas of the energy, body circuitry, pathogens, body structure, toxicity, and nutrition. These methods of energy healing promote balance within to relieve stress and promote the body's natural ability to heal itself. Energy healing such as these methods are widely recognised as a valuable and effective complement to conventional treatments.
2. I understand that releasing trapped emotions and energetic imbalances using The Emotion Code and The Body Code is not a substitute for medical care, advice, diagnosis, or treatment. I will seek professional medical advice from a medical health provider if I have any concerns about my health or my child's health (if I am consenting to energy healing for my child). I will also seek professional veterinarian's advice if I have any concerns about my pet's health. I also understand that the practitioner makes no claims as to healing or recovery from illness and these methods offer energy healing as a service for removing energetic imbalances and do not replace medical treatment or advice.
3. I understand that if my Making Life Feel Better practitioner makes any suggestions about any supplementation including vitamins, minerals, herbs, food, essential oils, or other modality such as reiki, that it is with recommendation that I consult an appropriate qualified professional practitioner and act on any suggestions at my own risk.
4. I understand that results are not guaranteed and that results will vary by client, as no two client's personal histories or life experiences are the same.
5. I understand that 1 in 5 clients will experience some processing symptoms, such as feeling a bit more tired than usual, emotional ups and downs and/or vivid dreams. I further understand that this is completely natural and will rest, drink plenty of water and contact my practitioner if I am in anyway concerned.
6. There will need to be a minimum of a week between sessions, to allow my body to process completely.
7. I understand by booking a session, that I have read and agree to the above and fully consent in participating in energy healing sessions with Jane Wood from Making Life Feel Better Limited.
